Dear Mr. Anderson and Ms. Friedman:

On June 6, 2026, the Chairwoman of the Illinois Health Facilities and Services Review Board (“State Board”), acting on behalf of the State Board, approved your request to change the ownership of Carle Health Proctor Hospital, 5401 N. Knoxville Ave, Peoria, Illinois. The approval was based on the application's compliance with applicable provisions of 77 Ill. Adm. Code 1130. The anticipated completion date is November 1, 2026. The estimated fair market value is \$34,583,508.

You are reminded that this exemption for a change of ownership shall be invalid if the exemption holder fails to submit a statement to the Board within 90 days after the completion of the transaction, or such longer period as provided by the Board, certifying that the change of ownership has been completed in accordance with the key terms contained in the certificate of exemption (“COE”) application. If the key terms of the transaction change, a new COE application shall be required under Section 8. 8.5(a) of the Illinois Health Facilities Planning Act (“Planning Act”).

You are solely responsible for ensuring full compliance with all requirements for a change of ownership under the Planning Act and the applicable administrative rules. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section

14 of the Planning Act and 77 Ill. Adm. Code 1130.790.

The exemption will be invalid if the facility for which the change of ownership was granted ceases to be a healthcare facility. The State Board's approval does not exempt the transaction from any other regulatory, certification, or licensure requirements that apply before or after the discontinuation.

Should you have any questions, contact HFSRB staff at (217) 782-3516 or via email at DPH.HFSRB@illinois.gov.
